SERVICE NOTE

WELCOME! Being in a relationship with God can, at times, be like a lover's quarrel. However, God never gives up, always seeking to repair the relationship and restore the love. God takes the initiative so that we may live securely in God's liberating and nurturing ways. As we are growing in God's love, we can learn to mirror God's relationship with us in our relationships with one another. We are thankful, as we begin our Fall activities, that God has called us here and together we will grow in God's love.

All the earth is full of your glory, O God; the heavens resound in praise of your name. Brooks ramble along the course you designed for them; leaves whisper of your manifold ways.
