This is an exciting time for The United Church of Canada. We know there is a constant need to upgrade, to change, and to improve how we do Church in order to share the Gospel of Jesus Christ and to meet the needs of our congregations. We look forward to what opportunities the future may bring.

As we begin to live into the new reality, we want to name our Region. At present we are Region 16. Although that would do, we think there might be a new and more creative way of naming our region; and we are seeking your help in this effort.

WHAT'S IN A NAME?

This is where you come in! Help us to celebrate and move forward into our exciting new future! YOU ARE INVITED to ponder and prayerfully consider a name for Region 16 – a name that reflects who we are as an area and/or what we are about. How do we want to move forward from here, and who do we want to say we are? When people hear our name, will they know who and where we are?

You are invited to send possible names for our region to the Conference Office (unitedchurch@nfld.net) not later than **October 26, 2018. The name must be no longer than 44 characters. A panel will select one name from those submitted. The winner will receive a prize.**

So put your thinking caps on, and let's come up with a truly reflective name!
